

To whom it may concern,

If you are looking to begin learning Dutch, do yourself a big favour and get in touch with Bally Bakker.

He has an excellent teaching style that works exceptionally well in small groups that are fun and relaxed. He has a real talent for “keeping it real” and providing achievable goals with just the right measure of encouragement and challenge.

Bally has helped me to believe that I can actually reach a level of understanding far beyond my original ambitions and EVEN talk to “real” Dutch people!!

And the icing on the cake is that he is a thoroughly nice, kind person who can really help you to be more confident about your language skills.

I think it is fair to say that Dutch is not the easiest language to learn but with Bally's help you will soon be SO much more aware of what is going on around you, and you will be well on the way to enriching and enhancing your experience of living in The Netherlands.

Veel succes!

Sincerely,

Judy Robertson
