Dear Sir/Ma,

Letter of Recommendation for the Smiling Dutchman

My name is Osamudiame Okundaye and I attended dutch language classes organized by the smiling Dutchman (Bally Baker) in Spring (April – June) of 2012. I am pleased to recommend Bally's classes on the following grounds:

1. The atmosphere was friendly and emphasis was placed on both speaking and writing
2. Bally was adept at understanding the pace of different members of the class and encouraging everyone to do more
3. Some classes were held in public places where we could practice "live dutch"
4. There was a good balance between understanding the theory of the language and just speaking for every day usage

The classes were enjoyable and I'd recommend it to those hoping to speak the Dutch language.

Yours faithfully,

Osam Okundaye
