To Whom it may Concern

It is my pleasure to recommend Bally Bakker (The Smiling Dutchman) as a language teacher for Dutch.

Bally has an exceptional ability to connect with his class comprising of expatriates from varying backgrounds. His talent at teaching simple concepts, as well as more advanced topics, are both exemplary. He has excellent written and verbal communication skills, is extremely organized, reliable and accomplishes all tasks with great initiative and a positive attitude. Bally has a clear understanding of what it takes to motivate his students, alleviate their anxieties and create a vibrant environment for learning. Bally's attention to detail, dedication and distinctive style makes the class really interesting as well as highly productive.

I recommend Bally to you without reservation. If you have any further questions with regard to his background or my personal experiences, please do not hesitate to contact me via email at: smenon@theacercompany.com

Thank you.

Yours' Sincerely,
